ACADEMICS

Mr. Shields - the Administrator; the Friend

To have a program that will enable each graduate of this high school to be a contributor rather than a burden to society is, in his own words, Mr. J. D. Shields' goal as an educator and as superintendent of Mt. Vernon Township High School. As administrator under the direction of the school board. Mr. Shields enforces school policies and also makes recommendations to the board concerning the budget, long-range building plans, and the selection of leachers and other employees. Mr. Shields also acts as the communication link between the school and the community, seeing that good relations are maintained and that the school retains its good status in the eyes of Mt. Vernon residents

Mr. Shields, the administrator, is also Mr. Shields, the friend He not only participated in activities uncalled for in his long list of superintendent's duties, but he was right there ready and willing to help when the Latin Banquet was almost canceled as he gave up an entire day fixing the multitudes of food. Announcing at football games and sponsoring the Student Council as an avid worker cannot be measured. As Mr. Shields himself put it, "I am here to help the students of MtVTHS; and I feel the best way to do this is to know them, their needs, and their desires—and to become involved."

Miss Edith Cates serves as secretary to Mr. Shields as well as to the School Board

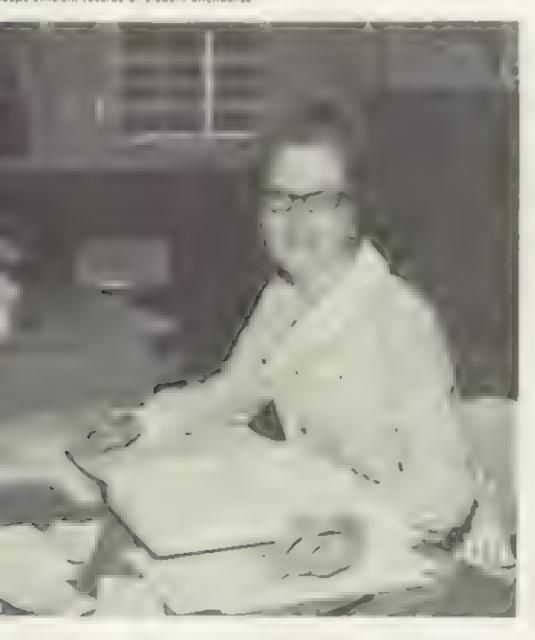

Completing his second year as superintendent, Mr. Shields has helped student and contributed to many new Improvements throughout the school

Besides being concerned with student welfare, Mr. Woodrome is active in school activities and community projects

Mr. Woodrome Regulates School Rules

Eleanor Archer performs several duties as personal secretary to Mr. Woodrame

Mr. Archie Woodrome, as principal of MtVTHS, was responsible for running the school on a day by day basis. He attends to disciplinary actions against those students who have been expelled, suspended, tardy, or who have violated any school policy. Several times girls with dresses too short and boys with hair too long found their way to Mr. Woodrome's office for an escorted ride home or to the barber shop. The new detention system of alternating morning and afternoon sessions was, in Mr. Woodrome's own words "designed to help those who work outside the school so that they may serve their detention more easily and promptly." Fulfilling his role in the community, Mr. Woodrome is an active member of the Lion's Club and the American Legion As an ardent Ram fan, he rarely misses a sporting event, whether it be varsity or junior varsity

Board of Education Approves Dress Code

The Board of Education for Mt. Vernon Township High School was composed of seven citizens who were elected to serve as board members from the Mt. Vernon district. The purpose of the Board of Education is to improve the school and its policies for the betterment of the students. The board rules on matters concerning the suspending and/or expelling of a student and the appointing, paying, and dismissing of teachers. On many occasions it works along with the Student Council

This year's president was Jack McDonald, who has been a board member since 1964 and is the owner of McDonald's Sales and Service. Robert Lipps, vice-president, has been a member of the board since 1960 and is the owner of Lipps' Construction Company

Other board members were as follows: V. N. Chaney, previous board president and owner of D. H. Wise Clothing Store; Mrs. Janice Dixon, board member since 1963; Dr. William McAtee, Mt. Vernon dentist and board member since 1964; Ben Martin, co-owner of Guy Wood Insurance Agency and board member since 1959; and Guy Wood, Jr. president of the King City Federal Savings and Loan Association, and a board member since 1954

In addition to these seven elected board members, those who served on the Board were Miss Edith Cates, secretary, Paul M. Fitch, treasurer; and J. D. Shields, Superintendent of Mt. Vernon Township High School

This year's president, Mr. Jack McDonald, has promoted many policies for the betterment of the school and the students.

Board of Education—Row One: Superintendent J. D. Steelds, Miss Edith Cates, Mrs. James Dixon, Mr. V. N. Chanay, Row Two: Dr. William McAtes, Mr. Robert Lipps, Mr. Ben Martin, Mr. Jack McDonald, Mr. Guy Wood Jr., Mr. Paul Firch

Guidance Assists Students With Future Careers

Goldence Assistants Vivian Warner, Sandra Zelman, Kathy Lee, Nancy Shields, Jan Pemberton

The Guidance Department is a staff of specially trained personnel. These professional counselors were available to as sist the students in obtaining vocational and scholarship information, in discussing personal problems, and in selecting courses of study. An addition to the Guidance Department this year was the orientation class that all freshmen were required to take for one quarter. This course was designed to help the newcomers to become better acquainted with the school and their part in it.

Although the department heads made changes in their own departments, the Guidance personnel coordinated and implemented these changes to fit in with the previous schedules

Agriculture is a shop and classroom course offered to boys in our school who are interested in farming careers

The department is headed by Mr. Gaston who taught four courses in modern agriculture methods. Agriculture I covered some of the basic problems that the students might someday face. Besides the farm work, the students also learned the business side of running a farm. Agriculture II was a more advanced study of running a farm. Agriculture III and IV were courses designed to give the advanced study of agriculture in the classroom and the shop

Agriculture students were eligible to become members of the Future Farmers of America Club that was designed to train young farmers

Robby Mason works diligently on his art project

Art Department Encourages Creativity

The students in the Art Department not only learn a better understanding of and an appreciation for all art forms, but they also put their knowledge to use by painting backdrops and scenery for school productions and by designing posters for the "Hire the Handicapped" and the "Fire Prevention" campaign weeks.

The four art courses are designed to progress and widen the students' abilities. Art I, which stresses creativity, offers the beginning student a chance to experiment with various media. Art II students work with more advanced creativity and composition, while Art III students are allowed to pursue their own interests and problems. Commercial Art is designed for the person planning a career in art It teaches the different art methods used in business

These art students express their creative talent as Mrs. Biagi supervises

Business Education — a Future Advantage

After having completed the basic courses offered in the Business Department of MtVHS, one is capable of succeeding in the business field. Included among these basic courses are Recordkeeping, Personal Typing, Shorthand, Typing I, Secretarial Training, and Clerical Training

Additional courses were offered this year which have never been taught here before. These courses are as follows: Business English; Salesmanship; Notetaking; and Vocational Secretarial Office Practice

Still new features of the Business Department this year were the electric typewriters and four simulated key punch machines.

Business Assistanti- Row 1: Linda Cates, Cathy Fowler, Donna Casada, Row 2: Cat Halls, Patrice Otson, Nikki Shields, Donna Jones

New Law Stresses Value of Driver's Education

Driver's Education is designed to teach future icensed drivers the 'rules of the road.' As of the past year, the law required that unless a student had taken Driver's Education, he would not be eligible for his license until he was eighteen years of age. This emphasis on a good driving education shows the worth of learning road etiquette and laws. After this nine week classroom instruction, the student is ready to proceed to the 'behind the wheel' phase of instruction

English Emphasizes Literature Appreciation

Freshman English is a program composed of three parts-literature, grammar, and composition. Special emphasis is placed on grammar, but short stories, epic poems, and paragraph writing are a big part of the study. This year's "greenies" also enjoyed reading Charles Dickens' novel Great Expectations. Sophomores spent much time studying grammar, but they also read and studied George Eliot's Silas Marner and the stirring lines of Mark Antony's funeral oration in Shakespeare's Julius Caesar, This year, Journalism I could not be taken instead of English III, a full year studying American literature and authors, practicing composition, and reviewing grammar. Those students who had time could also take Journalism I in addition to English. Journalism II was offered the second semester to those students who had had Journalism I and wished to take it. In English IV, an elective course for students again had a review of grammar and composition. In addition, students were challenged with the reading of Shakespeare's Macbeth, Dickens' A Tale of Two Cities, and projects dealing with Elizabethan history and the Medieval period

The duties of an English instructor are pointed out by Mike Hindman as he helps one of his sophomore students, Vicki Webb.

Homemaking Adds Food Services Program

This year Home Economics I, formerly a composite one-year course with different areas taught each quarter, was divided into four new one-semester courses. They were Clothing I, Foods I, Personal and Family Relations, and Fundamentals of Homemaking. Similarly, Everyday Living, previously a one-year course open only to senior girls, was expanded into Marriage and Family Relationships, Child Care and Guidance, Home Management, and Housing and Interior Design—all one-semester coeducational courses for juniors and seniors

Clothing II and Foods II remained Home Economics II courses, as did Foods III and Hospitality in Home Economics III. An advanced course was Tailoring, Response to these courses was so great that a new teacher, Miss Ann Brookhart, was hired

Also new this year was the Food Services program. A two-year course for juniors only, although this year there were a few seniors, designed to give students one year of specific classroom preparation followed by on-the-job training their senior year

Homemaking Assistants—Row Ir Kathy Pigg, Carol Watts, Debbie Perrachiane, Patsy Beal; Row 2: Angela Otsig, Brenda Capps, Debbie Odle, Anite Echols, Bonnie Burton, Joyce Jinka, Sheila Winemiller, Marilyn Moore, Joyce Cook

Students Choose Future Vocational Trades

The Industrial Arts Department consists almost entirely of one-semester courses—Electricity I, II, and III, Drafting I, II, and III; General Metal and Metal II, Welding; Auto Shop I, II, and III; and Woodwork I, II, and III. General Shop, a survey of the various shops, is the only two-semester course. Specialized training is emphasized in the advanced courses. Building Trades, which met three hours daily, began its eleventh house west of town. Vinyl siding was used for the first time on any house project. Electricity Trades students wired the house, while the Vocational Drafting students designed it. The completion date for the project is sometime next year. Auto trades students worked on cars that various individuals in the community had brought to them.

Foreign Languages — for College, or Travel

MRS CE EN NE HANCNON ALL P

M SS ANN STEPHENS Span sh

MISS EM LY KELLEY Spanish

MRS BETTY WECHSLER French

Foreign language can be a great challenge, and students whose English grades are "C" or higher can respond to this challenge and choose to take two years of any of the languages-Latin, French, or Spanish—that are offered at MtVHS

Since French is fast becoming one of the most important cultural anguages of our times, the first year French students, earn correct pronunciation of the language; then French II emphasizes reading and writing in French, as well as vocabulary building

Learning about the everyday experiences in the lives of Spanish-speaking people and how to converse in Spanish comprise the Spanish i students studies. Spanish Is offers a study of more advanced grammar and reading stories of Latin-American authors. Students also learn about the ancient and modern history of Mexico, and celebrate holidays in traditional Spanish fashion

Observing Roman customs adds much to the study of the language for Latin students, Latin 1 consists of a thorough grammar study and Latin II students translate classic myths, history from Livy, and Caesar's "Commentaries on Gallic Wars." Latin students especially enjoy working their way through the ranks of a Roman citizen, celebrating the Roman holidays, most particularly Saturnalia and attending the Roman banquet

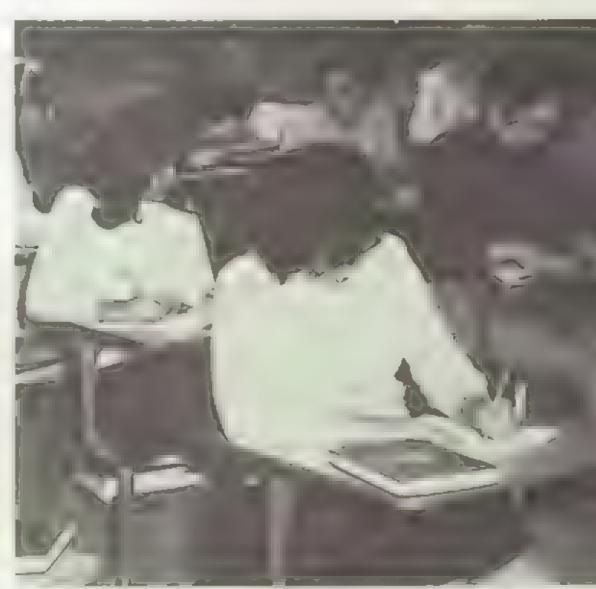

French & students may be seen as their minds wonder in a world of "parlez-yous français?"

If someday you are walking into G building and you happen to walk into a room with all sorts of weird shapes, lines, and figures on the blackboards, have no fearl You're not in another world; you are simply seeing a few of the accomplishments of last hour's geometry class

Students may fulfill their one year of required math in the freshman or sophomore year by taking either general math or Algebra I. This year, Algebra I text books were used for the purpose of helping students become more adapted to the algebra program. Other courses in the department include Algebra II and plane geometry. Several one-semester courses-college algebra, analytic geometry, and trigonometry—are offered

The math team, consisting of the top four students of each grade, traveled to Carbondale to compete with other students in taking math tests. Six out of the sixteen students from here received honorable mention, which means they were in the top ten percent of those competing

General math students enjoy a brief moment of relaxation from their daily work.

Participents in All State—Chris Shepard, Beverly Byars. Nancy Dilley, Kirby Pigg, Brett Gibbs, Sue Fisher, Rick Nance, Angee Moses. Jeanle Wishin, Kevin Davis, Stacle Smith, Stuert Smith, Barbara Reynolds. Jo Alice McGonigal, Ronnie Sanders.

Courses Inspire Music Appreciation

"Practice makes perfect," as the old saying goes, and practice is exactly what the members of the Music Department did to make their performances at school and community activities "just right." Some of the activities in which the Music Department performed were assemblies, pep rathes, basketball and football halftime shows, the operation exercises.

Voice I, Sophomore Girls' Chorus, A Cappella Choir, and Boys' Chorus are the vocal courses offered by the department. The instrumental courses include Symphonic Band, Varsity Band, German Band, and the Symphonic and Varsity Orchestras. General Music, a former requirement for all students, was replaced this year by a one-semester course, Introduction to Music Listening. This year, other available courses were Music Literature and Music Theory

Physical Education Builds Strong Bodies

The P.E. courses for girls were designed to teach the proper methods of playing various games and dancing. Competitive team sports—deck tennis, basketball, speedball, volleyball, and tennis—as well as individual activities—gymnastics, archery, golf, tumbling, tennis, and bowling—were offered to the girls. To improve coordination and agility, the girls also learned and practiced many types of dances.

To meet the state of Illinois' Physical education requirement, MtVHS has a well diversified program with competent teachers. The fall and spring program consisted of touch football, softball, and a modified version of soccer. The fundamentals and rules of these games were taught to the boys. During the winter months the principles of wrestling, boxing, tumbling, and basketball were taught

Science Ranges from Stars to Skeletons

The big word in the Science Department this year was NEW. As a result of the new curriculum, the scientifically-minded students could choose his science study from a wide variety of new courses. In addition to the "old familiars"—biology, chemistry, and physics—courses in astronomy, geology, human physiology, zoology, and consumer science—were offered. Also new this year was vocational chemistry, designed to meet the needs of the student not planning a career in the field of science Science I, required either the freshman, sophomore, or junior year, is now a prerequisite for all sciences, thus prohibiting freshmen from taking biology

Science Assistants Row 1: Panny Gaunt, George Neal, Row 2: Marsha McVay, Cir Pulla, Mary Estes, Angee Moses, Susie McGhee, Row 3: Glroy Bernard, Steve Ko Gary James, Lyndell Williams; Row 4: Phil Browning, Dan Rippinger; Row

This year's efection was an important event studied by these history students

History Stresses Past and Present Events

Even though some students think the electoral college is an institution of learning, the teachers in the History Department at MtVHS still have hope for their students. For the first time at Mt. Vernon high, freshmen start with Civics, a one-semester study of government required for graduation, which replaced the old social studies classes. Sophomores could take World History, the study of the history of man throughout all ages. American History is a requirement for juniors or seniors and is a study of our country's democratic government. Most familiar to students are the moans and groans heard on the day of the United States Constitution test. With the world changing as fast as it is, and with the United States current cold war with Russia, perhaps the most fascinating courses this year were Modern History since 1918 and Russian History, both new courses in the curriculum. Courses also offered included economics and consumer economics, government, psychology, sociology, and world geography.

History assistants—Row 1 Donnie Ulrich, Jo Ann Regenhardt, Sherry Dodson, Patti Hanagan Patty Tortegrossa Row 2: Fred Vallowe, Nancy Yon, Sandra Newell, Meryanne Payne; Row 3 Sheron Seibert, Janet Waggoner, Sharon Guthrie

Contest Encourages Speakers and Debaters

"Now be sure to buy "Handy Dandy Window wipes" at your nearest supermarket for the cleanest windows in town." Is this one of those dull commercials? No, it's an aspiring speech student trying to convince his classmates and to raise his speech grade with his persuasive speech. The Speech Department offers students the chance to meet and to work with the public. With five courses, the Department offers a wide variety of subjects for students to choose from.

Those students who are interested in speech should begin with this year's new course, oral communication, which deals with the different types of oral communications. Speech I students study conversation, public speaking, and dramatics. They present many informal speeches before community audiences. Speech II is a one-semester course in advanced public speaking and oral interpretation, it also aids the student in preparing the student for interscholastic competition and individual events activities. Those students who have had Speech may take Debate, a one-semester course. Drama I is concerned with the basic aspects of the theater.

Extra-curricular activities this year included the Variety Show, "Stage I," the All-School Play, "The Crucible," and many competitions in team and individual events.

Valerie Brown, speech assistant, is kept busy with the various obsishe performs in the speech department

Janitors and Bus Drivers Indispensable to School

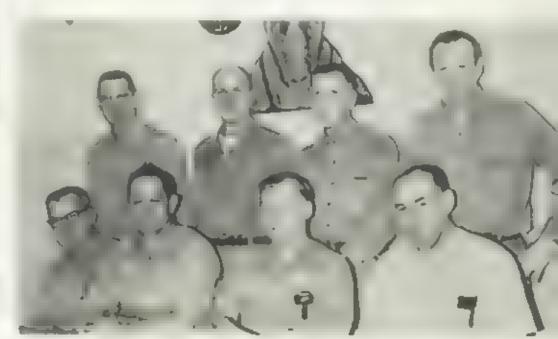

The Maintenance Department was as much a part of MtVTHS the faculty and students, if not more These skilled men, under direction of Mr. Bob Webb, have conducted a major "face of on the school's property. They repainted the football concessor stand and the boys' gym a brilliant orange and black, and instructed large Ram emblems, also orange and black, which say hung in several prominent positions around the campus During the summer they painted all the buildings in pastel codinates. These men are the ones who construct Homecoming and decorations. They must arrive at school early enough to

unlock the doors and stay late enough to lock them again. Certainly, activities such as dances, parties, special meetings, and practice sessions would simply "not be" if it weren't for these "great group of guys."

The men who transport the students of MtVTHS to and from school are considered the chauffers of the school. These men were always on time and saw that the students were transported safely. These skilled drivers were the ones who also drove students to and from athletic events whether in fair weather or ice and snow

MC's Nobel Dawell, Terri Michel, Randy Farrar and Georgeanne Rue, provided the audience with a "variety of shows" between the skirts

MtVTHS' annual variety show, held on September 26 and 28, was an entertaining success from the very first act to the last.

Dance routines, vocal and plano solos, and many other lively acts compiled the fifteen features in "Stage I"

The colorful stage sets in "Stage I" were made and set up by the stage crew. The production was under the direction of Mr. Jim Miller.

Adding moments of excitement to one of the dress rehearsals, the fire alarmarang out through the auditorium. Everyone dashed outside and waited for the fire trucks which never arrived.

After the traditional parade and bonfire, everyone took shelter in the girls' gym from the cold, to dence to the music of the Shades of Sound

The spirit and excitement of Homecoming 1968 was just beginning on Thursday morning with the trial and conviction of the Benton Ranger. That night, the Marching Rams led Homecoming attendants, football players, cheerleaders, and the members of various clubs in a parade that kept building excitement as it neared the school. This enthusiasm was highlighted when the Benton Ranger was burned in the traditional bonfire, Following the bonfire there was a sock-hop in the girls' gym with music by the "Shades of Sound." On Friday night, the Rams, who were really fired up, blasted the Rangers by the score of 45-0.

Saturday night's dance climaxed the week's festivities. Dancing to the lively beat of the Artistics, many couples filled the boys' gym, which was decorated in green and yellow crepe paper to the theme of "Happiness Is ..." At 10.45 silence filled the gym as each of the eight lovely queen candidates entered and took her place on the stage. The excitement and tension of Homecoming finally came to a climax when co-captains Frank Sanders and Gregg Goodman crowned Debbie Burns as the 1968 Homecoming Queen

By the outcome of Friday night's game, the verdict of pullty sentenced to the Benton Ranger, was found to be accurate

Ram spirit ascended as the fant were led in cheers by the cheerleaders

ne Ram fans were stirred with excitement as they atched the Rams overtake the Rangers.

Fullback Steve Willis swept wide off tackle for big gains against the Harrisburg Bulldogs

173 Points — Total Offense

The football Rams finished their winning season with a 5-4-1 record. The especially strong defense held three opponents completely scoreless and allowed the other teams a total of only 106 points. The offense, battering their opponents, scored a total of 173 points for the 10-game season

Originally backed up with fifteen returning senior lettermen, this year's gridiron was severely handicapped by a plague of injuries. In one game alone, nine regulars had to be replaced. Because of injuries, six first string players—Jerry Seibert, David Smith, Wayne Cherry, Frank Sanders, Mick McDonald, and Alan Hale—could not finish the season

The members of two honorary teams, the All-Conference and the All-Southern Illinois, are chosen by the coaches of the teams involved. The 145 pound Ram guard, David Kniffen, was named to the third team of the All-Southern Illinois Team, and Eddie Lively was named honorary captain of the All-Conference Team.

Underclassmen Show Great Potential

Compling an unblemished season record and racking up a total of 290 points for the season the powerful Sophomores, led by Coach Ellis and Coach Lee, captured the South Seven Conference championship

In their eight-game season, these fighting Rams scored an average of 36 points per game and allowed their opponents only 10

Ron Henderson, halfback; Larry Mays, full-back; David Dude, quarterback; and Jon Davey, tackte had a major hand in making those 290 points

Although the Freshmen Rams had a disappointing, scoreless season, they showed spirit and determination throughout the five-game campaign, Coached by Mr. Gill and Mr. Wiman, these boys learned the mechanics—the how and why—of the game. They were short two of their best players—David Alexander and Larry James—because these boys were promoted to the Sophomore team

Cross Country Runners Face Stiff Competition

Although cross country is only in its third season here, it is progressing steadily. Daily practices for the team consisted of a mile run warm up and then a variety of dashes varying from 220 to 1760 yards. The number and type of dashes depended on what Coach Carter felt his team needed the most. The record compiled by the Rams during the season earned them sixth place in the conference. In district competition, Bruce Hunt rated 18 out of over 200 runners. Bruce was also exceptional in conference play, as he ranked fourth

Nellie and the children waited impatiently for the return of Emilie de Becque

Bloody Mary laughed heartly at he boys claiming her love

"South Pacific" Attracted A Full House Both Nights

These salors expressed their homes raness by sing a Notling ake a Daire

Bali Ha'i ... Bali Ha'i ... Bali Ha'i ... On the nights of November 15 and 16 these and other haunting refrains were heard as the auditorium was transformed into a South Seas Island for the presentation of this year's operatta, "South Pacific"

Under the direction of Mr. W. Beckmeyer and Mr. Jim Miller, the twenty-sixth annual operetta proved to be a huge success, playing to a full house both nights. The orchestra, directed by Mr. Tal. Smith, demonstrated its superb talent by playing such songs as "Younger Than Spring-time," "I'm In Love with a Wonderful Guy," and the memorable "Some Enchanted Evening." Seven dancers, assisted by Mrs. Dorothy Carter and Mrs. Joyce Wilson, performed original dances to many numbers. Both the Boy's and the Girl's Choruses displayed the enthusiasm of the whole cast in the songs "Bloody Mary," "There's Nothin Like a Dame," and "I'm Gonna Wash That Man Right Out of My Hair." Noble Dowell (Luther Billis) added a comic note as Janet Raney's doll, Honey Bun

The Rodgers and Hammerstein musical, adapted from James A. Michaner's Pulitzer Prize winning "Tales of the South Pacific," weaves together the love story of the French planter Emile de Becque (Brett Gibbs, Chris Shepard) and Nellie Forbush (Janet Raney) with Lt. Joseph Cable (Rick Nance) and the island girl Liet (Nelda Spears), Bloody Mary's (Angie Pipes) beautiful daughter. The operetta climaxes when Lt. Cable is killed, but Emile is saved and returns to find Nellie, who had renounced him, waiting for him

Janet Raney is shown "Washing That Man Right Out of Her Hair."

The morning of March 8 found the Hi-Tri council and many Hi-Tri members busily decorating ... changing the boys' gym from a gymnasium with a basketball court basketball goals, and bleachers to an enchanting dance floor with a Sweetheart Tree, a Tunnel of Hearts, and many other exciting decorations that carried out and related the theme, "All You Need Is Love."

From 8 to 11 p.m, "The Invaders" from Salem entertained over 200 couples. Two of these couples were especially lucky as they received door prizes. Tish Scherer and Eric Puttney received a dozen pink roses and Sharon Seibert and Rick Wells won a big stuffed mouse

Beautifully designed letters were suspended from the center of the celling as part of the elaborate decorations

"All You Need Is Love"

Near the conclusion of the dance, the balloons descended and everyone made a hasty grab to claim one for themself

Everyone ice and a or by the wonce to miss of the Invoders from Salem

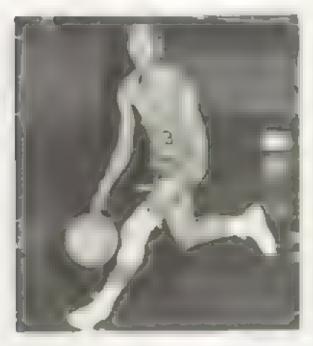

Couples ga hered around the Sweetheart Tree to find her heart

After the last dance hours of preparation and hard work came Rosse in only a matter of milities.

Mt. Vernon's 1968-69 cagers managed to secure only part of South Seven title, as the Rams tied the Carbondale Terriers for the Conference crown. The varsity Mt. Vernonites, molling a 23-4 overall record, proved to be tough competitots primarily because of their superior height. Although the Rams did show some signs of inconsistency in the regular season, the Rams strengthened by tournament time and ended the season as a team known throughout the state.

The Rams, an early season disappointment, gained state wide ranking with a 60-52 upset in late January of the then number-one-ranked Quincy Blue Devils

It came a week after Bob Arnold's Rams had to overcome a 13-0 deficit to bushwhack Centralia for the second time, 76-60

During this Centralia game, Frank Sanders came off the bench after a football injury to give the Rams the floor-leadership and ball-handling wizardry they needed to win the game. This game marked the beginning of Sanders' job as a starter.

Nate Hawthorne, the 6'4" senior, provided throughout the season, the offensive scoring and rebounding strength which the Rams found vital

Eddie James, the soul junior starter, continuously showed his hot hand, baffling many opponents with his deadly shot and jumping ability

Steve Strickland and Terry Sledge, Mt. Vernon's twin towers, balanced the Rams' scoring attack, and overwhelmed opponents with their height and superb rebounding

Soph's Tie for Second in Conference

Although overshadowed by fine varsity and sophomore quads, the two basketball teams made fine showings

The "A" team, consisting of Mike Hayes, Danny Cross, ichard Ritchey, Ricky Adams, and Mike Osterman, had better season than their 8-7 record would indicate. They aptured 4th place in the South Seven tournament at enton

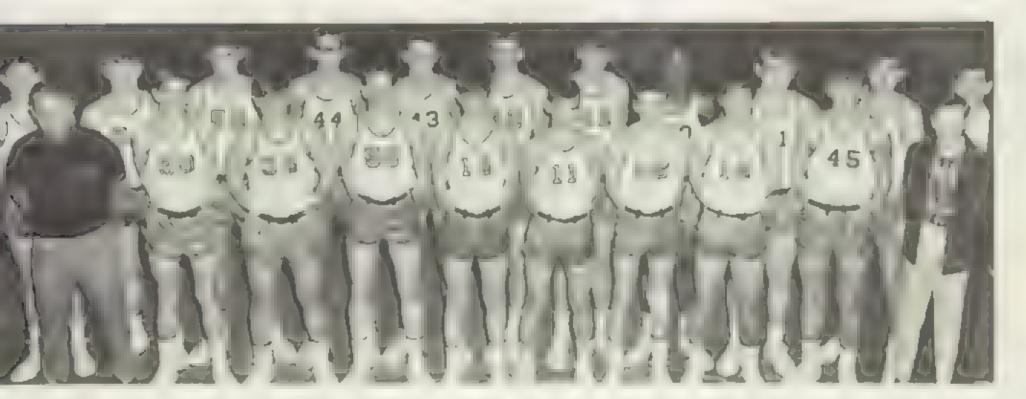

The "B" team, which finished with an 8-3 mark, was ed by Leon Hale, David Alexander, Everett Gray, Randy May, and Dennis Freeze

The Mt. Vernon Sophomore Rams railied to a second lace tie in South Seven Conference play with a "starting ve" consisting of center Ronnie Henderson, forwards Large James and James Stonecipher, and playmakers Terry dson and David Dude. Despite the loss of Ronnie Henderson to the varsity for the main part of the season, each Sonny Ellis and Company compiled an impressive 0-4 regular season slate.

Finding their toughest competition from Centralia, the squad fell to the Orphan quintet twice in early seatinal play. However, the Ramlets, gained an impressive ring of nine victories to close out the 1969 season

erand Hale, Bill Webb, removed the spell cast by the devil on Titube played by Rhonda enacker

"The Crucible" by Arthur Miller was the allschool play presented by MtVTHS on April 25 and 26

A crucible is defined as a severe test, and is also a fitting title for this play about the notorious witchcraft trials of Salem, Mass., in the spring of 1692. Mr. Miller, its playwright, accurately portrays the panic of a community caught up in the frenzy of accusations and denials

The play's action centers on one man's position in these events and his own personal struggle to decide between life and death. John Proctor finds himself in a hysterical world where others listen to the scheming Abigail Williams as she calls innocent people witches in order to hide her own evil deeds. Her maliciousness is especially aimed at Proctor's wife, Elizabeth, who knows that Abigail's dearest wish is to take her place as John's wife.

The Reverend Hale of Beverly arrives to investigate the possibilities of witchcraft and is later horrified by the bigotry of the trials themselves Presiding over the courts is the fanatical Deputy Governor Danforth (Ron Torregrossa). Assisting Mr. Danforth is Judge Hathorne (Thomas Perry) and Ezek el Creever (Nobel Dowell)

Another minister is Abigail's uncle, Mr. Parris (Keith Kempter). He is a man plagued by fears and eager to appear innocent to all. The Proctor's fimid servant girl and friend of Abigail's, Mary Warren, has a key role in the exciting courtroom scenes.

"Take Us the Foxes, the Little Foxes"

"The Little Foxes" by Lillian Hellman is the suspenseful drama about a southern family named the Hubbards. The family centers around Regina, Ben, and Oscar, brothers and sister, who are scheming their way to success. In contrast is Regina's ailing husband, Horace

The conflict in these lives has been caused by Ben's ambition to erect a cotton mill. The brothers still lack \$75,000 to complete the transaction. This they hope will come from Horace, but he refuses to commit himself. Desperate, Oscar and his son Leo, plan for Leo to take \$80,000 worth of bonds from Horace's safe deposit box. The climax comes when Regina recalls their unhappy married life, causing Horace to be stricken with a severe heart attack.

Mr. Miller, head of the speech department directed and produced quite a professional performance. Thursday night's showing went smoothly as expected. During Saturday night's performance Keith Parker's plop into the velvet love seat caused the bottom to fall out, thus exposing the springs and causing a rumble of laughter throughout the audience. But, the show must go on—and so it did

An authentic early 20th Century parlor was the setting for the play Properties included an antique pump organ, two flights of stairs, an extended dining room, plush red velvet curtains, and paintings by famous painters

Those who could hardly keep their eyes open missed the plot of The Siender Thread?

Love y Loc Deer - vir was in whell by retiring Queen Martic Political

The night began with dancing to the music of Fied Athey and his orchestra-

The food seemed to last and last all night

Dennis Baitzell and Mike Featherston enjoy a quiet moment of relaxiation

To the juniors and seniors of 1968, these few words represent an evening of dancing beneath a powder blue sky and strolling about a fresh, life-like garden filled with gorgeous flowers

The boys' gymnasium, decorated by junior students, was truly a sight to behold. Flowers, made primarily by a group of junior girls months before Prom, served as excellent reminders of an unforgettable evening. It was truly a night to remember for Miss Lou Deen Irvin who was crowned by the retiring Queen Marti Puckett, to reign over the evening's activities. Fred Athey's Orchestra from Champaign provided the music

Since it was very cold the night of Prom, the couples wasted little time in getting to the Elk's Lodge for sandwiches and cokes. Afterwards, the group ventured to the Granada Theatre where, if still awake, they saw a dramatic episode, "The Slender Thread", starring Sidney Poitier. Then, the Sting Rays livened up the groups with their vibrant music at the Moose Lodge. For the last event of the evening, the couples returned to the Elk's Lodge for a before-dawn breakfast.

The couples entered a transposed gym through a garden of many spring colors and flowers

Thinclads Capture South Seven Title

The Ram Track Team won the conference for the 1967-68 season and qualified for state competition with the varsity and the mile relay teams. The tracksters won the conference for the second time in the history of MtVTHS. The first time being in 1956 when Coach Sonny Ellis was on the team

With outstanding performers in every event, the Rams set six new school records

Some of the leading members of the squad were Edd-Lively, sprinter; Bruce Hunt and Eric Frassato, distancemen; Greg Goodman, shot putter; Don Hodges, Mike Ancona and Wills Shields, high jumpers.

The other teams of the South Seven will have trouble competing with Coach Ellis' Rams, for 12 return this year with a added year of strength and desire

Mike Ancone struggles to clear the ber in the pole vault

Eddie Lively strains to win the hundred yard dash

Gregg Goodman shows the strength needed to compete in the shot put

Members of the Track Team are (Row 1, Coach & s Steve W is, Bengt Olsen Bruse Rutherford Mike Payne Eddle , vely Frank Sanders, Don Piater, End Frassato, Bruce Hunt Coach Arnold (Row 2 & & Cum's Monty Dodson George Campber Barry Sargent Tom Rudd, Eddle James Greg Goodman, Mike Badgett Kenny Cross, Danny Orrison Don Hodges James Laughmiter and Coach Feuquay, (Row 3, G., Hardin Kim Hall, Larry Mays, Brett Gibbs, Mike Ancore, Ken DiPrimo, Keivin Plemons, Rick McMahan, Alan Borques, and David Dude

Veteran player Don Nathlich studies the line of his final putt-

Linksmen Win 15 of 18 Golf Matches

The 1967-68 Ram golfers under Coach Noble Thomas ranked second in the conference by winning 15 of 18 matches. Outstanding players for the season were Randy Arnett, Don Nathlich, Bud Harris, Roger Patterson, and Tom Williams. The linksmen competed in district play before falling to a tough Carterville crew. With Randy Arnett, Don Nathlich, and Mike Satterfield as returning lettermen, Coach Thomas anticipates another successful season

Demonstrating his good golf posture, Don Nathlich keeps an eye on the ball at he tees off

National Honor Society Selects Top Students

"I predge myself to uphold the high purposes of this society to which I have been elected, striving in every way, by word and deed, to make its ideals the ideals of my school and life."

Those students selected for membership in the National Honor Society have received the highest honor that can be attained by a student of Mt. Vernon Twp. High School, Having been inducted into the society each member was given the organization's emblem, a keystone with a flaming torch inscribed with the letters S, L, C, S. These letters, representing the four cardinal principles of the society, stand for scholarship, leadership, character, and service—traits found in every National Honor Society member.

Seniors who have spent six semesters at Mt. Vernon Twp. High School, who possess a 3.50 grade average, and do not receive a majority of negative votes cast by the faculty are inducted into the society in September of their senior year. Those students who, after having completed seven semesters, have a grade average of 3.25-3.50 may be elected to this society by a two-thirds majority of the votes cast by the faculty.

Student Council Revises Dress Code

The Student Council is the link between the faculty and the administration. In presenting the students' point of view, it attempted to see each problem through the eyes of the faculty and administration.

During the summer the Student Council met three times to make decisions about what should be the proper length for girls' dresses, whether boys should be allowed to wear mustaches and beards, and just what the proper school attire for the students should be. In addition to the changes in the dress code, the Council redistributed service points

Also during the summer, each class held a dance to raise money for the Student Council.

During the school year, the students registered many complaints and suggestions with the Council, Many members attended the Kaskaskia District Student Council conventions in order to find the right answers to the students' pleas

The day before the National Presidential election, the Student Council sponsored a mock election. Using printed sample ballots, registered student voters marked the entire ballot for the men of their choice. Among other things, the Council hoped to give the students an actual experience in voting so they would learn the correct way of marking a ballot and also to make them realize their responsibility. The mock election, executed with the help of Mr. Stubblefield's Civics classes, proved to be a success with many members of the student body registering and voting.

Another main event on the Student Council calendar was the Homecoming weekend. Starting with the parade and sock hop, through the big game with Benton, to the dance, the enthusiasm of Homecoming never died. Even on Sunday morning after the dance, most of the Council members were at the gym at 7:00 a.m. ready to clean up

Hi Tri Officers-Kathleen Kenney, President, Sally Epperson, Treasurer, Low Dean Irvin, Vice President, Anna Piper Secretary

The Hi-Tri Council was busy even the first week of school. Acting as Big Sisters to the freshmen, these girls gave directions and explained schedules and locker comb nations. This Big Sister Week ended with a picnic at the city park.

During the school year there were several conferences with other Hi-Tri organizations. At the State Conference in Salem, Kathleen Kenney, the local Hi-Tri President, was elected state Vice-President.

During Christmas, the Hi-Tri organization adopted Mrs. Hazel Peyton and her four children—Tina, Teresa, Jerry, and Rhonda. Besides canned goods and pastries, the family was also given clothes, toys, and games

This was the first time in many years that there had been Hi-Tri at-large meetings held in the months when other activities had not been planned. They were renewed this year on an experimental basis to see if more members could be involved.

Language Clubs Provide Interesting Activities

The Spanish Club is open to students who are presently taking Spanish and who have completed two years of the language. Meetings were held the third Wednesday of every month. This year the Club heard Miss Emily Keliey tell of her teaching in Peru and of her various travels. They also saw films on Spanish-speaking countries. The last meeting of the year was a party, which they had been planning all year

The Latin Club is composed of present and former Latin students. In October the newly-elected officers and Latin 1 students were inducted in a very impressive ceremony. In December members saw the movie "Last Days of Pompeir," and in mid-March, Mr. Heinz Boechmann, the German teacher at Rend Lake College, spoke to the Club about German influences in Roman history, For this meeting, Latin 1 students were responsible for planning and carrying out a Roman funeral. The fast meeting was the annual Roman banquet, held in April. After the multitude of food had been served to the Latin II masters by their Latin I slaves, the slaves presented numerous dances and skits, which were followed by the presentation of awards for the year. To finance the activities of the year the students sold Roman pastries, including the popular "dulcia," at a "taberna". The "taberna," a Roman pastry shop, was in operation at Open House and brought in a record profit of \$86,40 The shop was again opened for business in March during the lunch hour.

FTA Explores Many Facets of Teaching

FT.A. Members-Row I. Janet Waggoner, Valerie Brown, Debbie Nelson, Jane Diskerson, Debbie Arnold, Diene Welfr; Rot 2 Ruth Sansini, Jean Derges, Jane Fox, Joyce Willis, Diane Clark

The Future Teachers of America Club is an organization designed to familiarize prospective teachers with the proper ideas of the teaching profession. Sponsored by Mr. Harper and Mr. Pearson, the club holds its meetings once a month

The FTA began its busy year with a "get acquainted" party held at the Game Farm. In October they saw a movie in team teaching, followed by a discussion, and in February, they heard a panel of student teachers discuss student-teacher relation ships. Guest speakers throughout the year were Ron Kruppa, Director of Technical and Vocational Education at Rend Lake College, and Mrs. Helen Dancey, past director of Education of the Mentally Retarded at Danvill and Special Education teacher at our high school. As a project this year, club members served as Special Education assistants. The club had a display of teacher-past, present, and future-at Open House, and won first prize for the best display. They also had a "car float" in the Homecoming parade. To finance its many activities, the club had a bake sale in February and collected yearly dues from each member. At the annual Christmas party, the officers served the members and guests. The group made a special trip. to the A. L. Bowen Children's Center in Harrisburg. The last meeting of the year was a farewell party to seniors.

FHA and FTA Prepare for Future

The Future Farmers of America is an organization of those boys who want to further their knowledge of the care of livestock, the mechanism of farm equipment, the new techniques of crop production, and the new methods of farm management. In the fall the organization sponsored the annual pest control contest, and members were given points for the amount of pests killed. During the year the club took part in many judging contests, visited agricultural business places, and financed its activities and annual trip with the sale of concrete troughs

The Mt. Vernon Chapter of Future Homemakers of America is open to girls who are currently enrolled in the Homemaking courses or who have been enrolled in them. The main purpose of this organization is to learn to live better today in order that the girls' lives and those of their families may be better tomorrow. The Club, sponsored by Mrs. Ruth Body and Mrs. Nellie Claxton, met the first and third Monday nights of each month. In addition to these meetings, the girls had a get-acquainted pizza party and also a Christmas party. As a special Christmas project, they made seventy-five holiday favors for patients at the nursing homes. Another event was the semi-formal Valentines Dance for the girls and their dates. Formal installation of members was held in January at a mother-daughter tea, and the officers were installed in early spring. The highlight of the Club's activities was a trip to St. Louis at the end of the school year

Varsity Debate-Tom Perry, Scott Harris, Tony Eckert, Bill Wood Benny Fryer, Ron Torregrossa

Varsity debaters Tony Eckert and Ron Torregrosse prepare pro and con arguments

Debaters Face Stiff Competition

Debate, under the direction of Mr. Mike Hindman, has progressed in many aspects this past year. The major advancement was the establishing of the Egyptian Forensic League, which gives the underclassmen and novice debaters experience in expounding upon a certain side of a controversial resolution. In this League, the final varsity championship was held in DuQuoin, and the final novice championship was held in Mt Vernon, Both of our debate teams captured secand place at these tournaments. The Student Congress, a mock legislative assembly, was also established new this year. The debaters in this Congress presented bills, debated them, voted on them, and passed or rejected them. Although debate demands much time, and students involved are motivated by the competitive challenges which they meet, they are rewarded by the knowledge which they obtain. In debate a student learns to formulate his own thoughts about national and world-wide affairs, to have concise thoughts, to think logically, and to discuss a controversial topic only after researching the topic. This year the topic debated was "Resolved: That the United States should establish a system of compulsory service for all citizens."

Quill and Scroll Encourages Journalists

Quill and Scroll is an international honorary society whose purpose is to reward and encourage high school journalists who have done outstanding journalism work on school publications. Membership to this society is open to juniors and seniors who are in the upper third of their classes scholastically, and meet the requirements of their local chapter. At MtVTHS the local chapter is the Lloyd R. DeWitt Chapter of Quill and Scroll, and is one of the 2000 such chapters located throughout the United States. The high-light of the year for these members selected by the staffs of the "Vernois" and the "Vernois News" was the annual spring banquet Membership to the National Thespian Society is given as recognition for meritorious work in dramatic arts. Participating as actors, ctresses, and stage crew members in most school productions,

Thespian Society Teaches Appreciation of Dramatic Arts

most of the members of Troop 804 are from the Drama Department. MtVTHS's troop encourages interested students to attain better mastery of language, to develop poise and self-control, and to appreciate dramatic literature and its technique. The primary purpose of the Society is to advance the standards of excellence in dramatic arts.

All students are eligible for membership if they have earned 10 Thespian points. These points may be earned by participating in school productions, whether the participation is on stage or behind the scenes. The number of points earned is dependent on the time spent on stage and in preparation for the production. For acceptance into the Society, the student with 10 points also needs a two-thirds majority vote of the Thespian members.

Speakers Highlight Science Club Activities

The Science Club was made up of those students who were interested in the field of science beyond the regular textbook material. The science teachers-Mrs. Childers, Mrs. Schmidt, Mr. Kone, Mr. Schultz, Mr. Wayman, and Mr. Wilson afternated sponsorship of the club, with each teacher holding two meetings during the 1968-69 school year. At the bimonthly meetings the members watched movies, went on field trips, and listened to guest speakers on topics of current interest. This year Mr. Samford of Rend Lake College talked about his trips to Alaska, Europe, and Asia. At another meeting, Steve Zelman, the club president, explained the technical side of aeronautics. This year the members applied for membership in the National Science Clubs of America

Office Occupations is the organization pertaining specifically to office work. Students complete their required work during the first three periods of the school day. They work in the affernoons as secretaries, receptionists, and other office employees

O.O. student Beverly Pickerill worked as switchboard operator in the high school office in the afternoon.

Symphonic Most "Elite" of Bands

Perhaps the most familiar organi zation is the Symphonic Band. Alter nating with the Varsity Band at home basketball games, the Symphonic Band members also composed the main part of the Marching Band during football season. Members of the group formed a brass and percussion accompaniment for the A Cappella Choir in the Christmas Musicale. The Band began its annual concert series this year with an assembly at the junior high. Following this program, they performed in a high school assembly, a Sunday afternoon concert and a county tour. They also participated in the District Solo and Ensemble Contest in Mascoutah on March 15, and the Organization Contest on April 19

Mr. Smith waits to start the Orchestra at the Operatia Preview.

Members of the Symphonic Orchestra put out a great deal of time and work preparing for musical events throughout the year. Before presenting the instrumental part of the operetta, they gave their preview at a school assembly and also at "open house." The group then participated in Area All State at Evansville campus of SIU and in the Christmas Musicale during the months of November and December, respectively. They went on tours to the county and local junior high in February, and played in the winter-spring concert series. Highlighting the year were entries in the solo-ensemble and state contests. For their final performances of the year, the members of the archestra played at Baccalaureate and commencement Exercises

The goal of all MtVTHS singers is A Cappella Choir, a group of select underclassmen. Comprising the chorus for the operetta, the members also performed the major part of the cast. In December, the A Cappella Choir, aided by Voice I singers and the brass-percussion presented the Christmas Musicale in a public assembly, as well as in an assembly program. The Choir used "Sing We Now of Christmas" instead of the traditional "Song of Christmas" in the programs this year

They participated in a county tour, several assembly and concert programs, and State Solo-Ensemble and Organization Contests throughout the months of March and April

Members of the A Cappella Choir prepare to board the bus for one of their many tours

Girls' Chorus Emphasizes Public Performance

The Sophomore Girls' Chorus, under the direction of Mr. Tall Smith, investigated the more advanced concepts of music. The group of 38 girls made their first appearance as the angel choir, praising the Christ Child in the annual Christmas Musicale

In March the group accompanied the A Cappella Choir in a special concert at the junior high. A few of the girls participated in the solo and ensemble contest hosted by Mascoutah in March.

In April, the group participated in the organization contest held in Mascoutah, where they received very high ratings

Various assemblies, shared with the other organizations of the Music Department, highlighted their year in search of musical knowledge

Beginning Band-Row I. Marie Boggs, Cynthle Taylor, Gary Disroe, Row 2: Kenneth Easley, Bob Knull

Regardless of proficiency, all Freshman String players are placed a Varsity Orchestra, which is a ugriented by the woodwinds of the Valcity Band, Besides learning the fundamentals of musc mentions of this organization participated in contests, and the group joined the rest of the Department for the Alf-Department.

Concert

Those band students who had not previously having were placed in Beginners Band. There they extred the basic music concepts and received and vidual essons.

Basics Taught in Cadet Band and Voice I

The Cadet Band, primarily made up of freshmen, is the training unit for the bands that follow. Members of this group were taught the basic fundamentals of instrumental technique. Members of Cadet Band were also eligible for contest band. The Cadet Band gave one concert during the second semester in coordination with Voice I

Voice I, a prerequisite for all choral groups at MiVTHS, places

emphasis on voice building, reading, and learning the basic elements of music. The highlight of their musical activities was the Christmas Musicale. This year, because of the change of the format of the Musicale, the Chorus carried electric candles in the entrance procession, and wore black choir robes, instead of the traditional white ones. Their final performance was the Cadet Band-Chorus Concert

INDIVIDUALS

Class of '69 Presents Senior Gift to School

Serving their class for the last year were these senior officers—Scott Hall, president; Mary Pat Bunchman, vice-president; Steve Modert, secretary; Debbie Burns, treasurer; and Quetta Webb and Eddie Lively, representatives. The main task of these officers was to choose a class gift, with the approval of the members of the Senior Class. The gift this year was a set of floor microphones to improve the audio at plays and assemblies.

Leading the class of '69 were President Scott Hall and Vice-President Mary Pat Bunchman.

elping to lead the Senior class were Secretary Steve Modert and Treesurer

And the fans went wild

After race ving a pass on a fast break, John Kelly breaks the 100 point barrier in the Mt. Carmel Regional game.

After an exhausting game, the fearn proudly accepts the Regional Tournament trophy

Rams Win Regional Twenty-fifth Time

Mt. Vernon started its bid for a journey to Champaign on March 4 when they played Grayville in the first game of the Albion Regional Tourney. Although they were seated second behind Fairfield in the Tournament they overcame Grayville and Mt. Carmel before finally defeating the Fairfield Mules 65-54 to win the Regional for the twenty-fifth time in thirty years. The Rams then advanced to the Sectional Tournament at Eldorado

Maybe a small help to the boys and the coaches in winning the Regional, were the rabbit feet presented to them by the cheerleaders in a pep assembly. This assembly initiated the tremendous spirit and enthusiasm displayed by the Ramfans as their team headed for Champaign

With victory in Eldorado, the Rams advenced to the Super Sectional meeting again with the Carbondale Terriers

Rams Champaign Bound

Although Mt. Vernon Rams were ranked to easily win the Eldorado Sectional Tournament they barely survived Benton's pressure game on the first round of play, but pulled through with a 69-62 victory. Mt. Vernon led by Eddie James' 36 points, overpowered a small, but determined, Eldorado team to gain their fourteenth State berth

By the end of the Sectional play, spirit was at a high as pep assemblies interrupted the regular routine of the school day and cars were decorated for the trip to the Super Sectional game held at Carbondale's StU Arena. Long strings of cars accompanied the Rams to Carbondale. When the players arrived back in Mt Vernon in the early hours of the morning, the horns of cars and the enthusiasm was at an all time high

A crowd of 10,000 watched Mt. Vernon with a 22-4 record upset fourth ranked Carbondale with a 25-3 record, by winning the Super Sectional 71-63. The year before the Rams had fallen to Carbondale 68-66 in the same Tournament. Nate Hawthorne, Ram All Stater, played one of his greatest games of his career, scoring 26 points and holding Les Taylor, who averaged 33 points per game in regular season play, to only 15 points. And the Rams were Champaign bound

With only seconds left to play in the State Championship, the Rams finished the season with a 23-5 record.

am guard, Frank Sanders, drives past East Autore guard Algie Neal, an All-Tourament selection, in the quarter final match.

The Rams went to Champaign with high hopes of gaining their fifth State Title and setting a new Illinois record for the most State Basketball Championships. At the first game of the Tournament, East Aurora surprised everyone as Mt. Vernon fell 52-46. Although the Rams fell short of Number One in the state, they did bring back two champions, Paula Puckett and Lynette Myles. Paula was crowned Miss Elite Eight and Lynette was selected as the best Mt. Vernon cheer-leader in cheerleading competition.

The Ramfans, still proud of their boys welcomed them home with a police and fire engine escorted parade through town and then to the Vernois Gymnasium. There, a short reception was held with short speeches by Scott Hall, president of the Student Council, Mayor Joe Martin, Principal Archie Woodrome, and Superintendent J. D. Shields. Coach Arnold commented that he had enjoyed working with these boys and gave a few encouraging words for next year's team.

Even though Mt. Vernon didn't bring back the State Championship Title from Champaign, it was agreed that THE RAMS DID SHINE IN '69.
